ACTIVITY: MAKING OF A FLAG

• STEPS

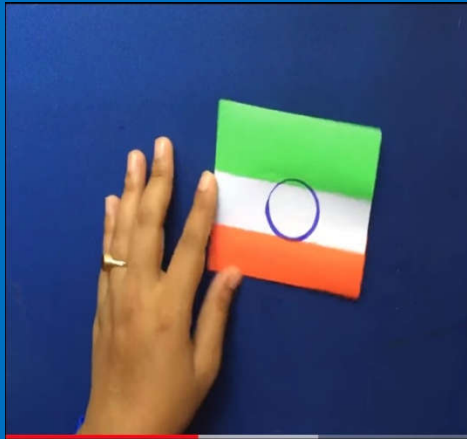

1: Cut down three rectangular strips in different colours (green, white and orange)

2: Paste the edges of the strips with one another with the help of glue stick as shown in the picture.

3: Now fold the paper as shown in the picture.

4: Now draw the wheel (Ashoka Chakra) in the centre of the paper.

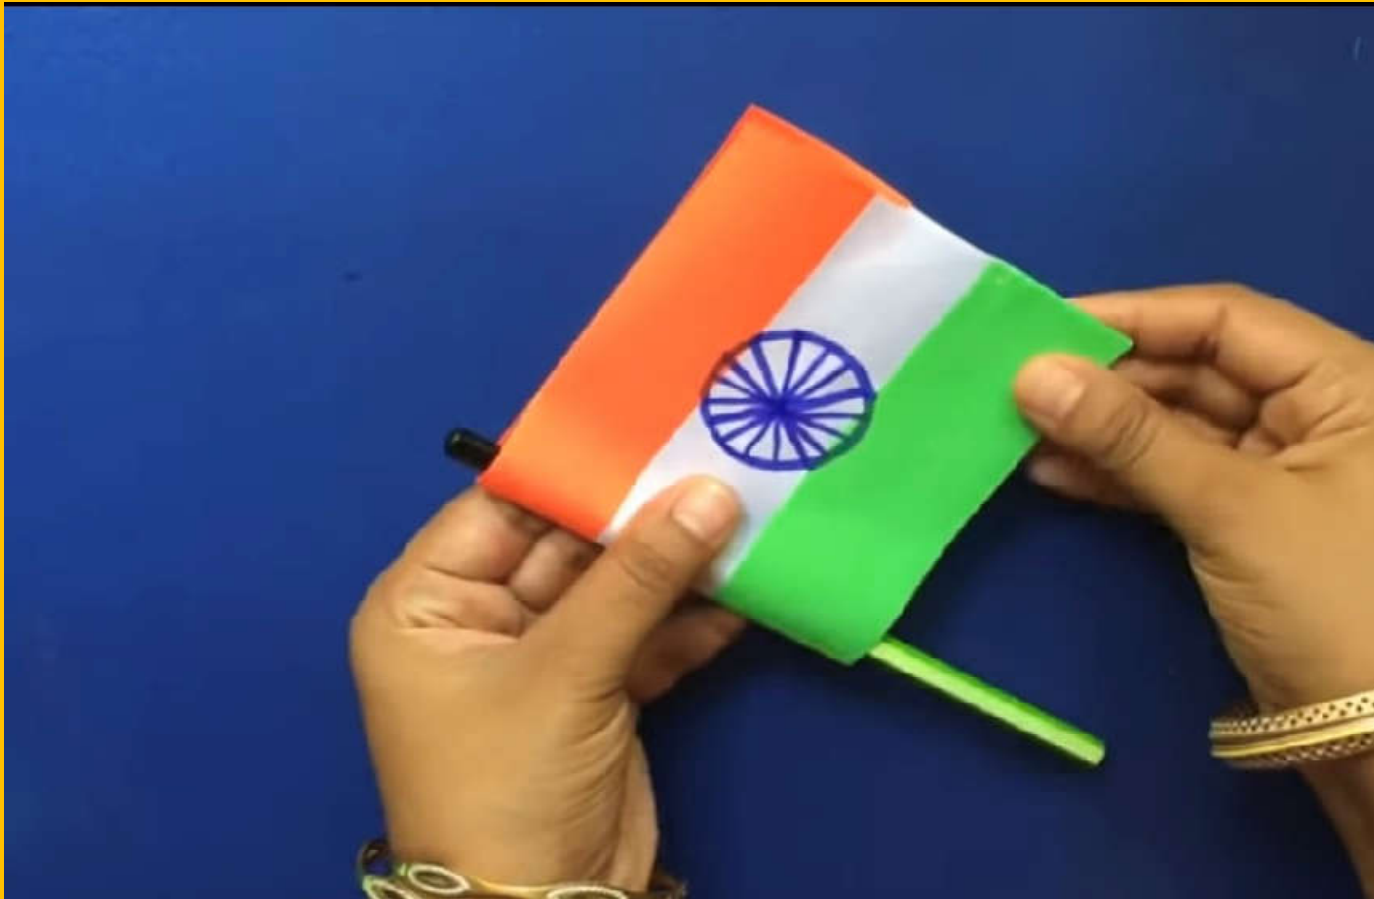

5: Apply the glue on the inner side of the paper.

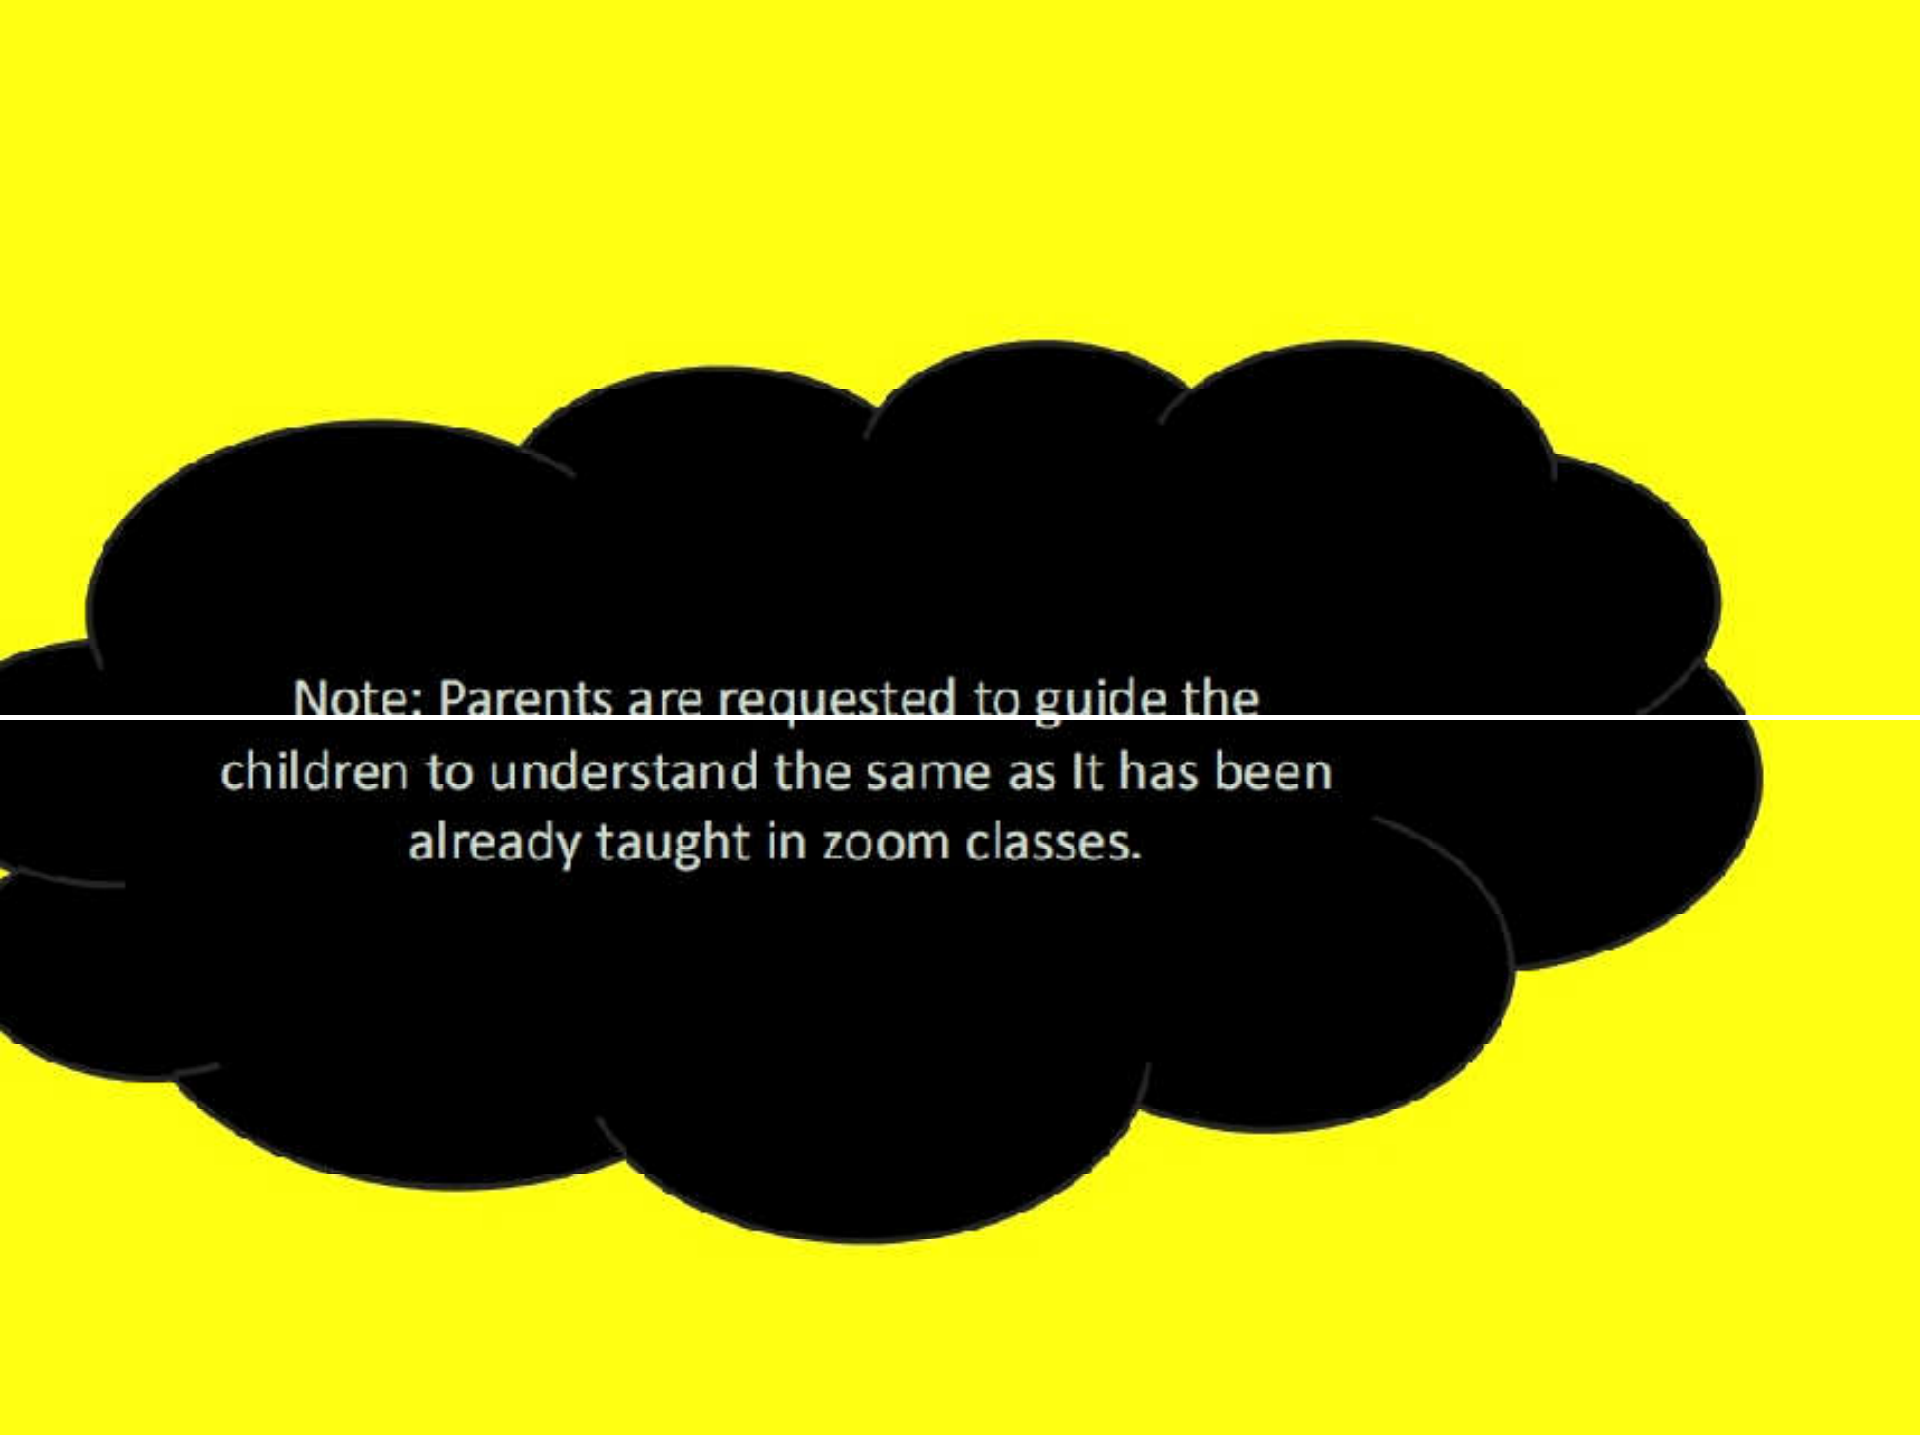

6: Now to make a flag pole take a pencil and stick it on the inner side of the paper and wrap one corner of paper over the flag pole.

7: Take one side of the paper and wrap it over it.

8: Now your flag is ready.

Note: Parents are requested to guide the children to understand the same as It has been already taught in zoom classes.
