Topic : One's And Ten's On Abacus

- An Abacus is an instrument that can be used for counting and knowing the place value of each digit in a number.

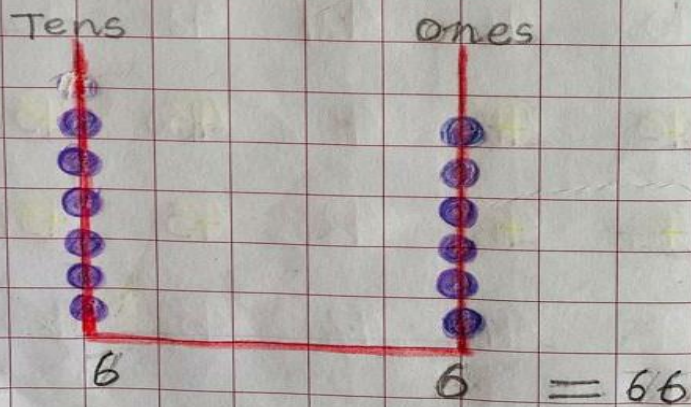

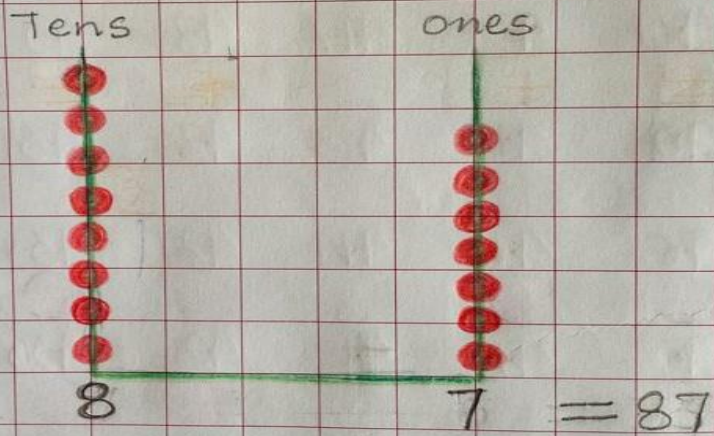

Q. Split the number and write the digits in the circles. Draw the beads on abacus to represent the given number.

NOTEBOOK WORK

Date: 25-05-21

Day: Tuesday
Topic: Ones and tens on abacus

Note: This is the supportive content for what has been taught in zoom classes. Kindly guide your children to perform the same.
